## REMARKS

OLL, asked that I pass the following on to you:

"A SSCI staffer requested a copy of a document - history of reconnaissance satellite program. Denied permission for him to see it - still in draft form."

Since document came out of Historical Staff, he thought DDA should be aware of request.

*1-2 Is it wise to deny - what is staffer trying to find out - who is it?*

DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions
